International Transport Claims Club, Brazil

RTS sponsors the 7th Expo CIST in Sao Paulo

Madrid, 17th December 2019 - RTS' Transport and Marine Team in Brazil, led by Cesar Alves, participated in the 7th CIST Expo (International Transport Claims Club). This is the most important event in the Brazilian insurance market's calendar for the Transport sector and all the large insurers, brokers and regulators participate.

RTS sponsored the event and had its own stand from where the group distributed materials and information on their more than **30 years' experience investigating and adjusting all kinds of claims**, with emphasis on marine, aerial and terrestrial merchandise transport claims.

RTS' Hull Division provides inspections and claim processing services globally for merchant and passenger ships, fishing vessels, recreational craft, platforms, etc., including investigation and appraisals of hulls and machinery; fault repairs and settlements; evaluations - state, salvageable value and disposal methods, calculation and condition of towage boats, inspection of holds and repairs supervision.

Several members of the RTS team in Brazil were present, including **Leonardo Duarte**, RTS General Director in Brazil, **Joel Cancell**a (Property Manager), **Luis Miranda** and **Graziela Sabbatine** (Marine Team).

*L to R: Cesar Alves, Joel Cancell*a, Luis Miranda, Graziela Sabbatine and Leonardo Duarte.

Cesar Alves, RTS' Area Transport & Marine Director in Brazil, participated in the debate, providing the audience with updated information on diverse subjects in the insurance market, such as the General Average Act, comfort letters, what laws there are to provide support, etc.

About RTS International Loss Adjusters

RTS is an international Corporate Group established in 1989, with its own offices in Spain, Latin America and Portugal. Since its beginnings, RTS' business has comprised the analysis and/or adjustment of industrial risks, damage and technical areas of all kinds.
